### "Special Planning Districts, Urban Design and Historic Preservation"

**BY JON LANG,**

**Emeritus professor at the  
University of New South Wales**

Jon Lang is an emeritus professor at the University of New South Wales where he headed the School of Architecture between 1996 and 2000 and taught in the Masters of Urban Development and Design program from 1995 to 2015. He is director for urban design of ERG/Environmental Research Group Inc. in Philadelphia, Penn and in Johannesburg and a doctorate from Cornell University in Ithaca, New York. He was an assistant and then an associate professor at the University of Pennsylvania between 1970 and 1990. He directed the joint MArch/MCP program in urban design there during the 1980s before settling in Australia. He has authored books on urban design, on architectural theory and modern architecture in India. In 2010 he was awarded the Reed and Mallik Medal by the Institution of Civil Engineers in London.
